CLERK: 29 ayes, no nays.

PRESIDENT: Severability clause is attached. Senator Marvel.

CLERK: Now, Mr. President, there are more amendments.

SENATOR MARVEL: Go ahead.

CLERK: Mr. President, there is an amendment offered by Senator Stahmer found on page 1464 of the Journal.

PRESIDENT: Senator Stahmer.

SENATOR STAHMER: Mr. President, and members of the body, very quickly this relates to the cottage at Beatrice, that we voted in Budget Committee, and I was one of those who voted for the money for these cottages. These cottages were designed in such a fashion that they ran 35% over the estimate. There were designed in such a complex fashion, I fear that there is going to be increased delay. But most importantly, if they are continued in the design configuration that they are now in, they are going to be included in a federal law suit, I am told by the people who are suing the state now because of Beatrice. I think our committee when they recommended cottages, wanted something resembling homes that these children would be returning to. This would call for a design configuration of a simpler type building. I think it would put the children in the cottages, just as soon, if not sooner than the course that they are now on, and I think it would avoid a federal law suit and get this tangled up and they will never get these cottages. So I move the adoption of the amendment.

PRESIDENT: Senator Stahmer has moved for the adoption of his amendment. Is there any discussion. Are you ready to vote? All those in favor of the Stahmer amendment vote aye. Those opposed vote no. We are voting on the Stahmer amendment. This requires 25 votes. Have you all voted. Voting on the Stahmer amendment.

SENATOR STAHMER: The money for the cottages was voted before. They are...

PRESIDENT: Clerk will record. Amendment is adopted. Next amendment.

PRESIDENT: Senator Marvel.

SENATOR MARVEL: I move that 1056 be advanced to E & R for Engrossment.
